

District students gather at Highview for a good cause

Mounds View Public Schools students rallied friends and family members to take part in a "Bucket Walk" to raise money for H2O for Life, an organization that brings clean water to schools around the globe. Edgewood student Hallal Tamene, her father Tamene Melkami and her aunt Maratu Gunja (pictured) participated in the event which raised about \$1,500 for clean water at Miyani School in Kenya. Sunnyside Elementary School students, Highview Middle School students and Irondale High School students also participated in the October 5 event at Highview Middle School.
